DISCLAIMERS

1. This picklist is intended to be used as a guide, not as a menu of options to select from in any given case. It sets out suggested standard wording for common types of conditions that arise; however, other than any compulsory conditions, many will not be appropriate in every case. Judges always have discretion in deciding how the law should be applied. They may or may not choose to use the picklist wording.
2. Anyone referring to the picklist is required to read the pick list number, if there is one, and complete the wording of the condition on the record.
